Reflecting

It is so hard to believe that we have already finished summer camps. God continued to amaze us as He worked in the lives of the campers and staff this summer. Many hearts were drawn to Him in a deeper relationship. Many hearts turned to Him for the first time. Praise God! Every week we listened to the staff as they shared the stories of God's work in the lives of these young people. It has been another job well done here a Cooperstown Bible Camp thanks to all the parents, campers, staff and volunteers. We appreciate all of you so much. It has been an awesome summer.

Camp Life Blog

My experience at camp has been amazing. I've done so much. I went canoeing, paintball, swimming and praying. I'm so happy I could come to camp and get to grow stronger in my faith. When I went canoeing with a crazy camper and flipped the canoe over so we had to carry it back. I would like to thank all the staff for taking time out of their life to come and work at camp. I would also like to thank my friends and staff for the comfort and help they were to me. I can already see changes in my life through my walk in Christ. Thank you CBC.

MESSAGE FROM TIM

This summer we had 427 kids come out to camp and 30 of those campers made the decision to follow Christ. That is a huge answer to prayer; this is why we do what we do. These kids made eternal decisions that will impact the world through their changed lives. It has been such a pleasure to serve this summer and see campers make life changing decisions. We disconnect people from the noise and busy-ness of regular life and provide opportunities to connect with God.

Thank you so much for your prayers and support. They are truly appreciated. Cooperstown Bible Camp is a ministry, and as such, we rely on your support to keep us affordable. It is through the gifts of individuals and church that we can provide services to the campers and guest who come to CBC through the year. I challenge you to consider if God is asking you to become one of our regular supporters.

I would like to say a quick thank you to our speakers this year. Bill Crosby, Scott Sheets, Steve Scott, Josh Graber, Nathan Palatsky, Tom Johnson, and Mike Honl. They all did a great job at sharing the gospel and staying true to the bible this summer. Thank you for serving Christ through your ministry at Cooperstown Bible Camp.

Camp's Financial Future

It is through your support that Cooperstown Bible Camp has continued for so many years and will continue into the future. Last fall we worked hard to set up an endowment fund to ensure the camp's financial stability in the future. Camp is funded primarily through churches and personal donations. If you are interested in helping camp financially by giving to the endowment fund or the general fund, contact us at (701) 797-2174 or send us an email to mail@cooperstownbiblecamp.com.
