

Did You Know?

According to Barna:

- “Two thirds of Christians accept Christ before age 18.”
- “Most make that critical decision before they reach their teens.”
- “Whatever a child believes by the age of 13 is in most cases what he will die believing.”

CBC Vision Summit

This December 1–2, our pastors and lay leaders throughout the Northern Plains District met at CBC to seek God and dream together regarding the future of CBC in our first ever Vision Summit!

CBC Endowment

Last December, we began a CBC Endowment Fund that will help us have greater financial stability for our future. We recently received a \$7,500 gift of stock, and special gifts continue to roll in. For more info, please contact endowment@cooperstownbiblecamp.com.

What God did in 2017!

God has been faithful! Campers surrendered their lives to Jesus at CBC this summer and are forever changed by the power of the gospel. Summer camp numbers have been steadily growing in recent years, including this summer, where we had over 400 summer camp registrations and over 20 decisions for Christ.

One of our summer staff counselors shared this story with us: “One of my campers had no understanding of the gospel, the origin of sin, or of her need for a Savior. After using God’s Word to explain and discuss these things with her, she decided that she wanted to accept Christ as her Savior, and begin her relationship with Him. This was an awesome experience that had nothing to do with my own wisdom – it was evident that the Holy Spirit had been working on and preparing her heart and that the words coming out of my mouth were not my own. God is doing more than I can tell

Executive Director Job Opening

Please share! Cooperstown Bible Camp is a beautiful adventure camp and retreat center in the Sheyenne River Valley of North Dakota. God has been using CBC for nearly 100 years to bring campers into a deeper relationship with Him and with each other. We are looking for an executive director to further the cause of Jesus Christ by providing life-changing, memorable, breakthrough experiences for campers and staff at CBC. This individual should be an effective self-starter, wise decision maker and proven planner with a good track record of team development, personal accountability, and results focus. Compensation includes salary and benefits based on experience and a four bedroom house. We are accepting resumés to search@cooperstownbiblecamp.com through January 24, 2018.

in the lives of both staff and campers! Learning to rely on the Holy Spirit has been one of the biggest lessons that God has been teaching me this summer. I look forward to continuing to trust the Holy Spirit for wisdom and strength, both for the rest of the summer, and beyond!"

God is undoubtedly moving here at Cooperstown Bible Camp. What is God's plan for CBC moving forward? How is God calling you to partner with Him at CBC?

Will you help us continue to connect campers to Christ?

CBC is your camp and by God's grace it is growing. The financial needs continue to grow as well. Charitable giving is down this year, and we need more help to cover our expenses. We are supported solely by you, our churches and friends. Registrations for camp do not cover the full cost of camp, due to our commitment to making summer camp affordable and accessible to all.

- Will you prayerfully consider giving an end-of year gift of \$50, \$250, \$1000 or another amount as God leads?
- Will you pray for our executive director search, that God will bring us the right leader for camp?
- Will you begin thinking about the young people in your life that you can bring to CBC's 2018 summer camp season?

We are honored to serve here at Cooperstown Bible Camp and grateful to partner with you in connecting campers to Christ!

Merry Christmas from CBC Board of Directors & Staff!
